- **Networking and Connection:** We are launching new semester "meet ups" specifically designed to help you build lasting relationships and get to know your colleagues across the district in a relaxed setting.
- **Essential Updates:** Stay informed with our quarterly newsletter, curated to provide fresh information and highlights that stand out each quarter.
- **Building Support:** Our active building representatives ensure that meeting minutes and critical information are shared directly with you, keeping our membership engaged and informed.
- **Professional Visibility:** All members joining for the upcoming year will receive a signature red WTCTA lanyard to wear in their buildings, signifying our collective presence and unity.
- **Contract Voting and Negotiations:** Typically, contract negotiations and voting take place every 2 years. Last year, we negotiated and voted for a 1 year contact.
